

**Date:** 02.14.2021

**BUG ID:** 001

**Title:** "Space Alien" hyperlink not working

**Status:** Active

**Severity:** Major

**Priority:** Critical

**Type:** Functional

**Operating System:** Windows 10 Pro Version 19041.746

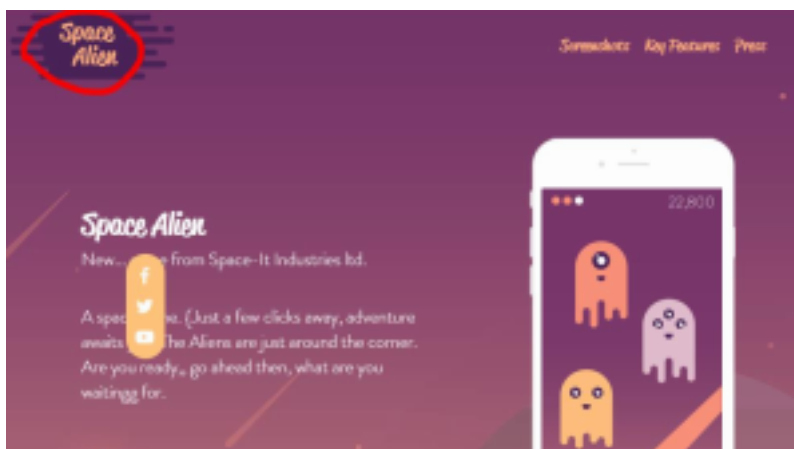

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** On the top left margin, we can find the "Space Alien" logo, but after clicking on it we get no result whatsoever

**Steps to reproduce the bug:** Once you are on the website, find the "Space Alien" logo on the top left margin and try to click on it.

**Desired result:** It should take us to the home page <https://factorexs.wixsite.com/spacealien>

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 002

**Title:** "Space Alien" hyperlink. Wrong placement

**Status:** Active

**Severity:** Major

**Priority:** Critical

**Type:** Functional

**Operating System:** Windows 10 Pro Version 19041.746

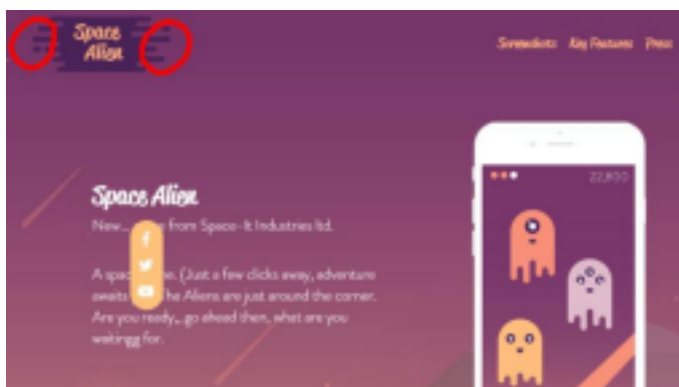

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** On the top left margin, we can find the "Space Alien" logo. There seems to be two "hidden" hyperlinks on both the left and right sides of the logo. These links redirect us to: <http://www.bug.com/>

**Steps to reproduce the bug:** Once you are on the website, find the "Space Alien" logo on the top left margin. Position the mouse cursor on both the left and the right sides of the logo to detect where are these "hidden" hyperlinks.

**Desired result:** The hyperlink should be on the logo and it should take us to the Space Alien homepage <https://factorex.wixsite.com/spacealien>

**Screenshots:**

**Date:** 02.14.2021

**Title:** Hyperlink "Screenshots"

**Status:** Active

**Severity:** Critical

**Priority:** Critical

**Type:** Functional

**Operating System:** Windows 10 Pro Version 19041.746

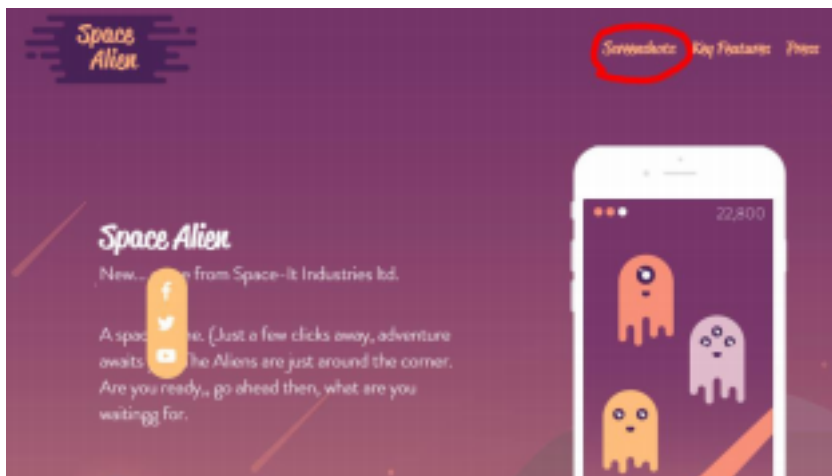

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** On the right margin, at the top, we can find the "Screenshots" hyperlink for the screenshots section. The link should redirect us to the Screenshots section, but it redirects us to <https://www.istqb.org/>

**Steps to reproduce the bug:** Once you are on the Space Alien homepage, click on the "Screenshots" hyperlink located on the right margin, at the top.

**Desired result:** The "Screenshots" link should redirect us to the screenshots section.

**Screenshots:**

**Date:** 02.14.2021

**BUG ID:** 004

**Title:** Hyperlink "Key Features"

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Layout bug

**Operating System:** Windows 10 Pro Version 19041.746

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** On the right margin, at the top, we can find the "Key Features" hyperlink. When clicking on it, it will take us to the "Key Features" section, but the top margin of this section is not centered correctly.

**Steps to reproduce the bug:** Once you are on the Space Alien homepage, click on the "Key Features" hyperlink located on the right margin, at the top.

**Desired result:**

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 005

**Title:** Hyperlink "Press"

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Layout bug

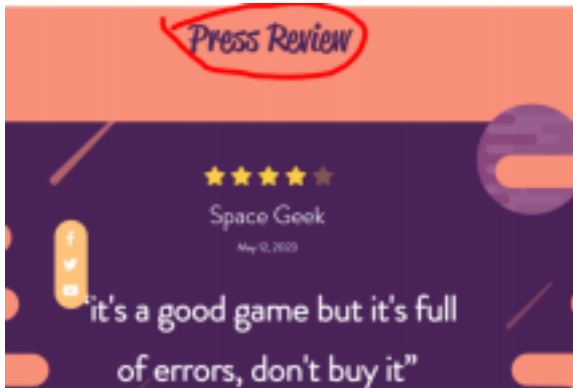

**Operating System:** Windows 10 Pro Version 19041.746

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

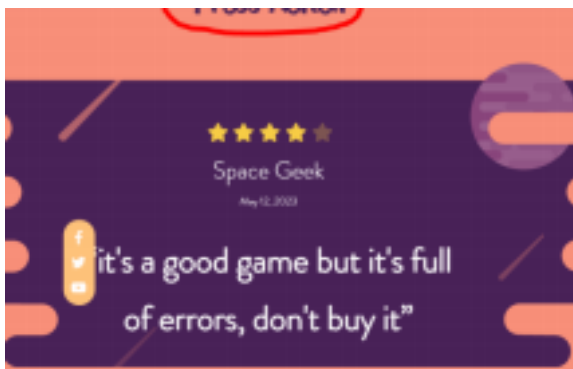

**Description:** On the right margin, at the top, we can find the "Press" hyperlink. When clicking on it, it will take us to the "Press" section, but the top margin of this section is not centered correctly, and the header of the section is not readable.

**Steps to reproduce the bug:** Once you are on the Space Alien homepage, click on the "Press" hyperlink located on the right margin, at the top. It should redirect you to the "Press Review" section, where the bug is visible as in the screenshot presented in the "Screenshot" section of this report.

**Desired result:**

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 006

**Title:** Wrong hyperlink in cellphone image

**Status:** Active

**Severity:** Critical

**Priority:** Critical

**Type:** Functional

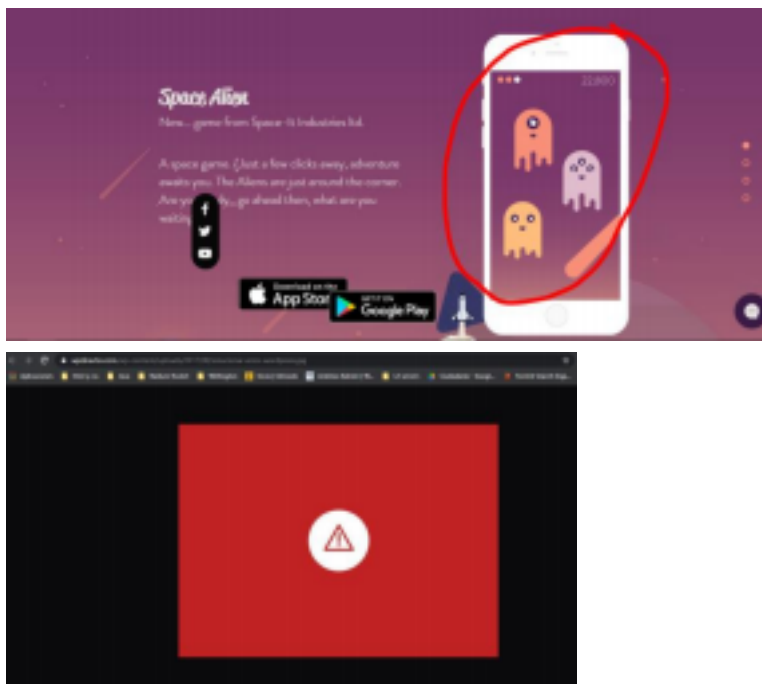

**Operating System:** Windows 10 Pro Version 19041.746

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** On the right margin, we can find an image of Space Alien running in a cell phone. The link attached to it redirect us to <https://wpdirecto.com/wp-content/uploads/2017/08/solucionar-error-wordpress.jpg>

**Steps to reproduce the bug:** Click on the image displayed in the screenshot.

**Screenshot**

**Date:** 02.14.2021

**BUG ID:** 007

**Title:** Social share buttons

**Status:** Active

**Severity:** Minor

**Priority:** High

**Type:** Ergonomics (UX)

**Operating System:** Windows 10 Pro Version 19041.746

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** When navigating on the website, the social share buttons will stay in the same fixed position and overlapping text and other elements, making the UX unpleasant

**Steps to reproduce the bug:** Scroll down and up on the website.

**Desired result:** The social share buttons should be placed in a way they do not disturb the user experience. They do not have to overlap any text or function on the web.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 008

**Title:** Social share buttons

**Status:** Active

**Severity:** Major

**Priority:** Critical

**Type:** Functional

**Operating System:** Windows 10 Pro Version 19041.746

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

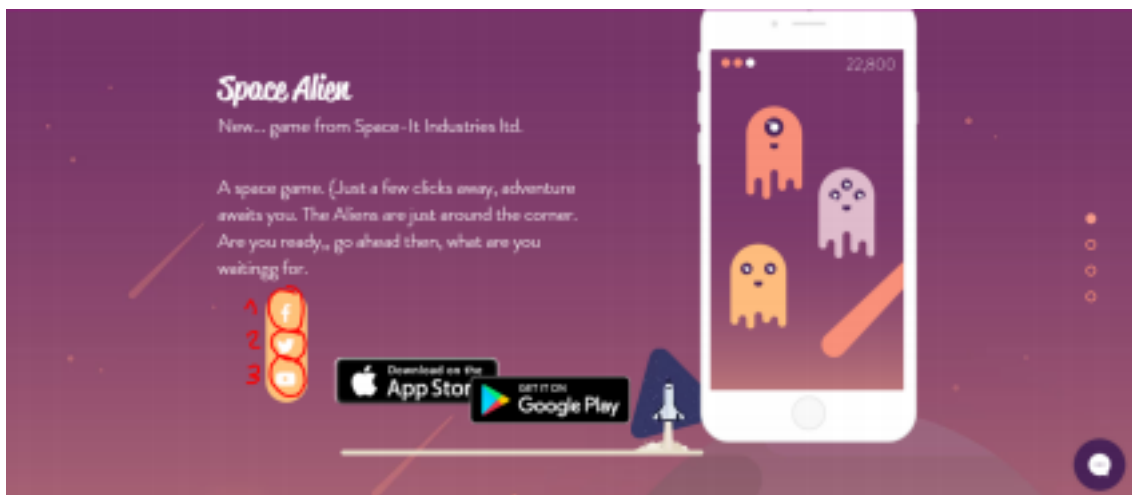

**Description:** The social share buttons are linked to wrong websites. When clicking on them, they redirect us to unrelated websites.

- Facebook: <https://www.facebook.com/etgamesoficial/>
- Twitter: [https://twitter.com/fortnite\\_es?lang=es](https://twitter.com/fortnite_es?lang=es)
- YouTube: <https://www.youtube.com/channel/UC-2Y8dQb0S6DtpxNgAKoJKA>

**Steps to reproduce the bug:** Click on each social share button.

**Desired result:** Each button should redirect the user to the correspondent Space Alien social media.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 009

**Title:** Space Alien. Game description

**Status:** Active

**Severity:** Minor

**Priority:** Critical

**Type:** Wording bug

**Operating System:** Windows 10 Pro Version 19041.746

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** The description of the game contains several grammatical errors. The following is an example of the same text but with the corresponding corrections to the already mentioned mistakes.

**Desired result:**

### ***Space Alien***

A new game from Space-It Industries Ltd

Adventure is waiting for you in this new space game and it is just a few clicks away!  
The Aliens are just around the corner. Are you ready? Go ahead, then! What are you waiting for?

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 010

**Title:** Google Play and Apple Store elements are overlapped and lead to a wrong website

**Status:** Active

**Severity:** Critical

**Priority:** Critical

**Type:** Functional

**Operating System:** Windows 10 Pro Version 19041.746

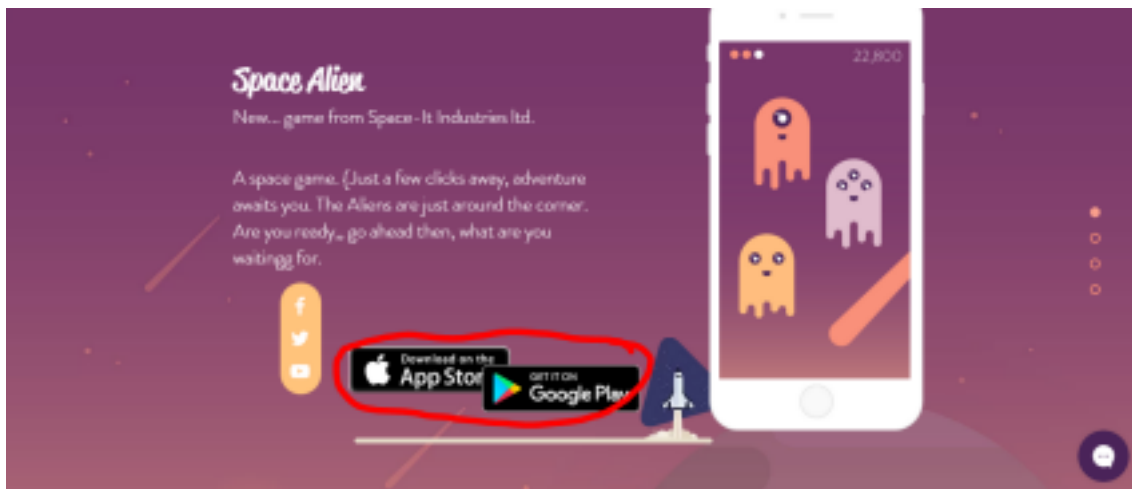

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación oficial 64bits-)

**Description:** Google Play and Apple Store elements are overlapped. The Google Play button becomes inaccessible. When clicking on these buttons, they will redirect us to the Apple Store main page.

**Desired result:** Each button should be easily accessible and distinguishable for the user. They should also lead to a direct download screen within each store.

**Steps to reproduce the bug:** On the home page, scroll down a little bit to find the buttons. Try to click on both of them to get the result.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 011

**Title:** "Key Features" overlapping elements

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Layout bug

**Operating System:** Windows 10 Pro Version 19041.746

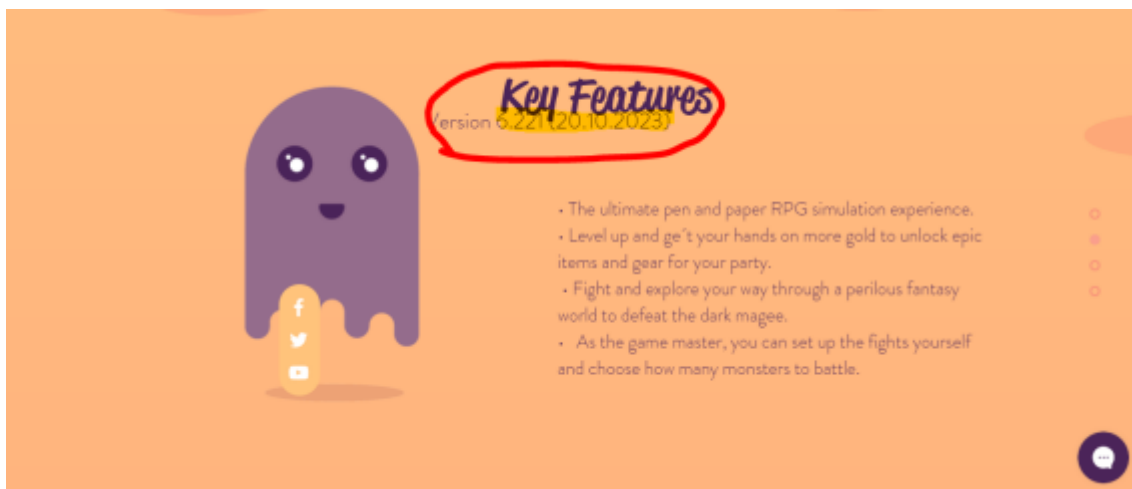

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** The text that reads "Key Features" overlaps with the text that reads "Version 6.221 (20.10.2023)".

**Steps to reproduce the bug:** Scroll down until you arrive to the "Key Features" section and it should be visible.

**Desired result:** The text that reads "Key Features" should be separated by a certain margin from the text that reads "Version 6.221 (20.10.2023)".

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 012

**Title:** Key features description

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Wording bug

**Operating System:** Windows 10 Pro Version 19041.746

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** There are two grammatical mistakes to be corrected in the key features description text.

- **Error 1:** Level up and ge't your hands on more gold to unlock epic items and gear for your party.
- **Error 2:** Fight and explore your way through a perilous fantasy world to defeat the dark magee.
- **Error 3:** Excessive indentation at the beginning of the sentence in item 3 •
- Error 4:** Excessive indentation at the beginning of the sentence in item 4

**Steps to reproduce the bug:** Scroll down until you arrive at the "Key Features" section and it should be visible.

**Desired result:**

- **Error 1:** Level up and ge't your hands on more gold to unlock epic items and gear for your party.
  - **Suggestion:** Level up and **get** your hands on more gold to unlock epic items and gear for your party.
- **Error 2:** Fight and explore your way through a perilous fantasy world to defeat the dark magee.
  - **Suggestion 1:** Fight and explore your way through a perilous fantasy world to defeat the dark mage.
  - **Suggestion 2:** Fight and explore your way through a perilous fantasy world to defeat the dark images.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 013

**Title:** "Game Screens" text

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Graphical bug (UI)

**Operating System:** Windows 10 Pro Version 19041.746

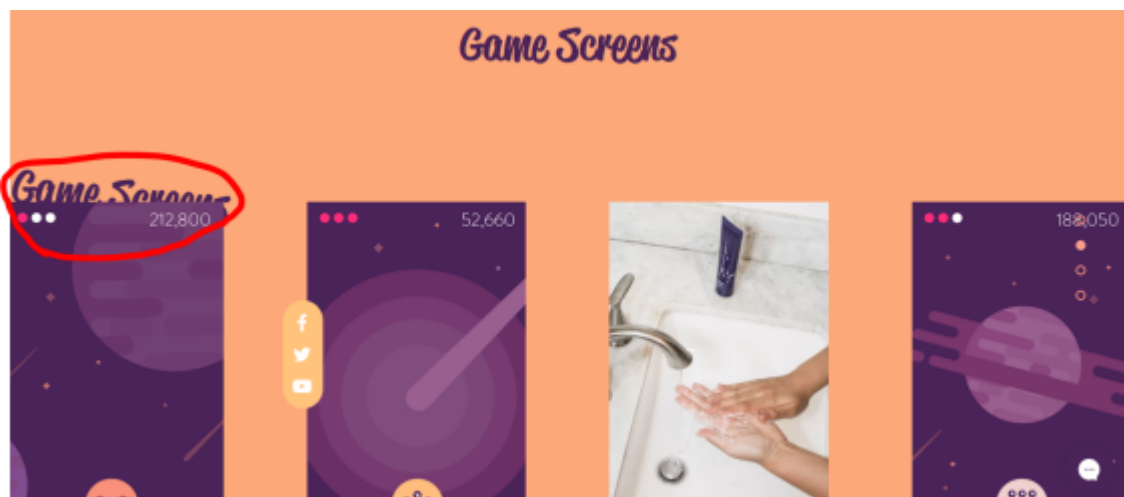

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** As displayed on the following screenshot. The title "Game Screens" is duplicated, and it is also aligned incorrectly on the left margin. Also, as a suggestion, the title could be changed to "Screenshots" or maybe "Game Screenshots" to make it same as it is in the navigation bar.

**Steps to reproduce the bug:** Scroll down until you reach the "Game Screens" section, and it should be visible.

**Desired result:** There should be only one title for the section. The duplicated title should be erased.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 014

**Title:** Images in "Game Screens" section leave no margin

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Graphical bug (UI)

**Operating System:** Windows 10 Pro Version 19041.746

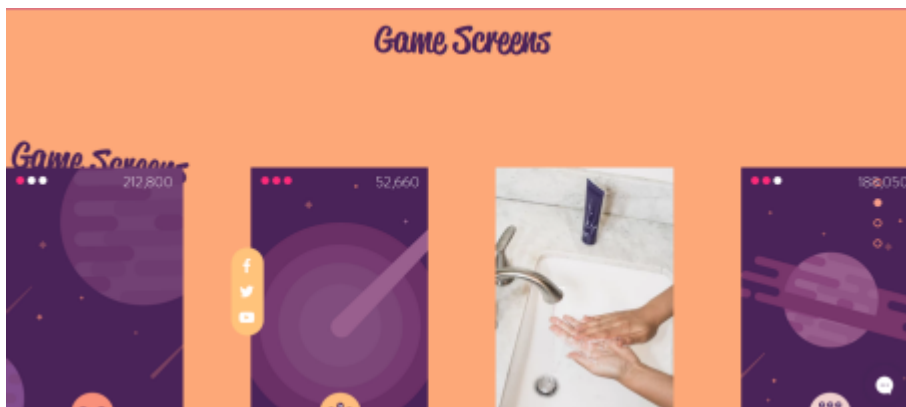

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** The images are aligned in a way they do not leave any margin on the left and right sides, resulting in an awkward visual composition.

**Steps to reproduce the bug:** Scroll down until you reach the "Game Screens" section, and it should be visible.

**Desired result:** Images should be aligned in a way they have some margin on both sides.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 015

**Title:** Image has an irrelevant description

**Status:** Active

**Severity:** Major

**Priority:** Low

**Type:** Wording bug

**Operating System:** Windows 10 Pro Version 19041.746

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

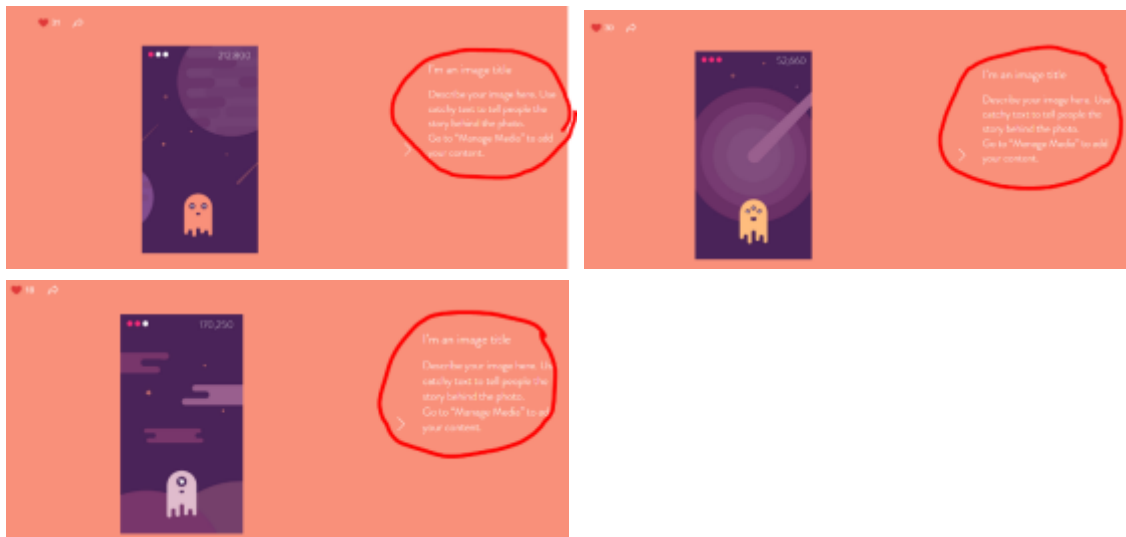

**Description:** The description of the image

**Steps to reproduce the bug:** Scroll down to the "Game Screens" section and click on the first, second and fourth images counting from the left to the right in the first row. Scroll down a little bit more to the second row and click on the first image counting from the left to the right.

When clicking on these images, you will be able to find the wording bug on the right side of the screen.

**Desired result:** The caption should be relevant and descriptive to the image displayed.

**Screenshots:**

**Date:** 02.14.2021

**BUG ID:** 016

**Title:** "Game Screens" irrelevant content

**Status:** Active

**Severity:** Major

**Priority:** High

**Type:** Graphical bug (UI)

**Operating System:** Windows 10 Pro Version 19041.746

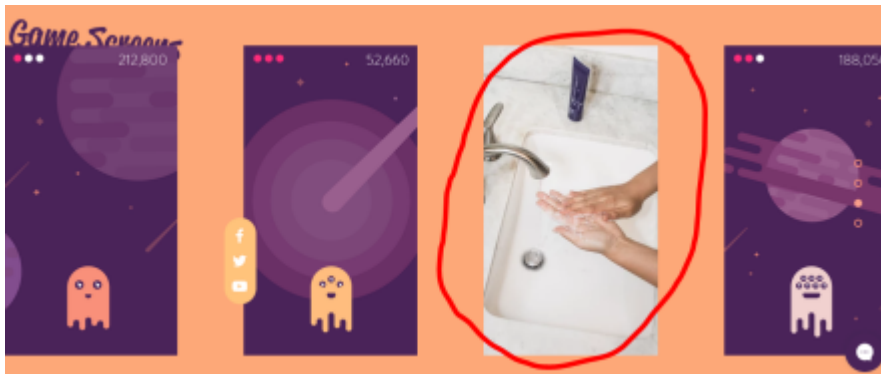

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** Third image counting from left to right on the first row does not correspond to the game.

**Steps to reproduce the bug:** Scroll down to the "Game Screen" section and the bug should be visible.

**Desired result:** Replace the image with screenshots from Space Alien.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 017

**Title:** "Game Screens" irrelevant content. Cyberpunk 2077 video.

**Status:** Active

**Severity:** Major

**Priority:** High

**Type:** Graphical bug (UI)

**Operating System:** Windows 10 Pro Version 19041.746

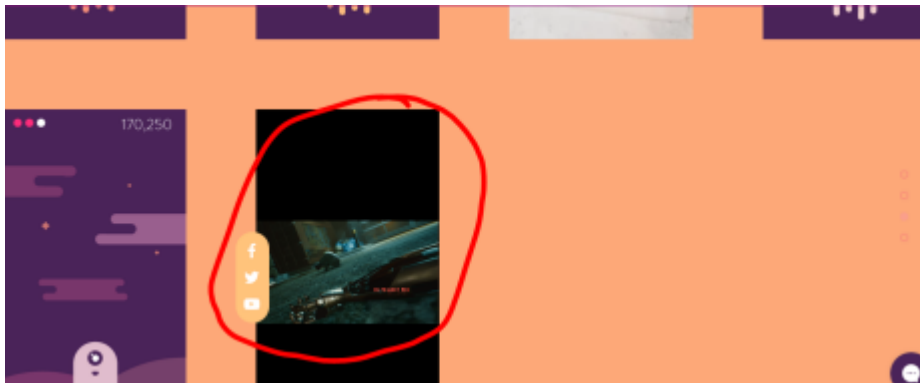

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** Second image counting from left to right on the second row does not correspond to the game. It is a video from the game "Cyberpunk 2077".

**Steps to reproduce the bug:** Scroll down to the "Game Screen" section and the bug should be visible.

**Desired result:** Replace the image with screenshots from Space Alien.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 018

**Title:** Reaction buttons not accessible in some images

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Graphical bug (UI)

**Operating System:** Windows 10 Pro Version 19041.746

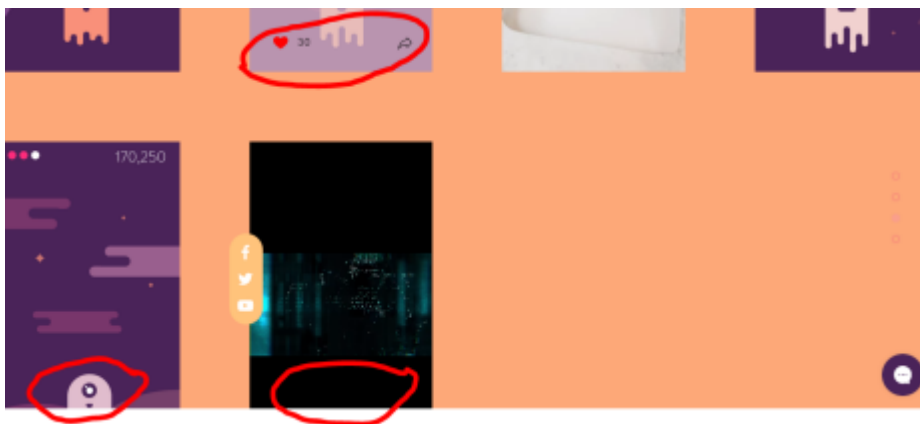

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** Reaction buttons are not accessible from the main page for some of the images uploaded in the "Game Screens" section.

**Steps to reproduce the bug:** Scroll down to the "Game Screens" section and try to like and share the images highlighted in the screenshot.

**Desired result:** Reaction buttons should be accessible from the main page as they are in the rest of the images.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 019

**Title:** Negative review

**Status:** Active

**Severity:** Major

**Priority:** High

**Type:** Wording bug

**Operating System:** Windows 10 Pro Version 19041.746

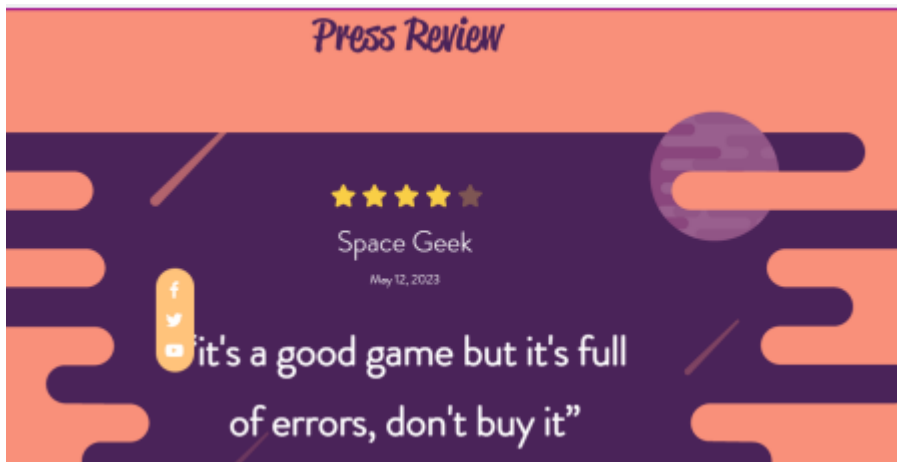

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** This is a negative review of the product. Reviews should always be positive in order to promote the product effectively. The date "May 12, 2023" corresponds to the future and of course this cannot be real.

**Steps to reproduce the bug:** Scroll down to the "Press Review" section. This review should be the first one you come across.

**Desired result:** Reviews about the game should be positive to hype people up about it and the date should always be from the past.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 020

**Title:** Negative review

**Status:** Active

**Severity:** Major

**Priority:** High

**Type:** Wording bug

**Operating System:** Windows 10 Pro Version 19041.746

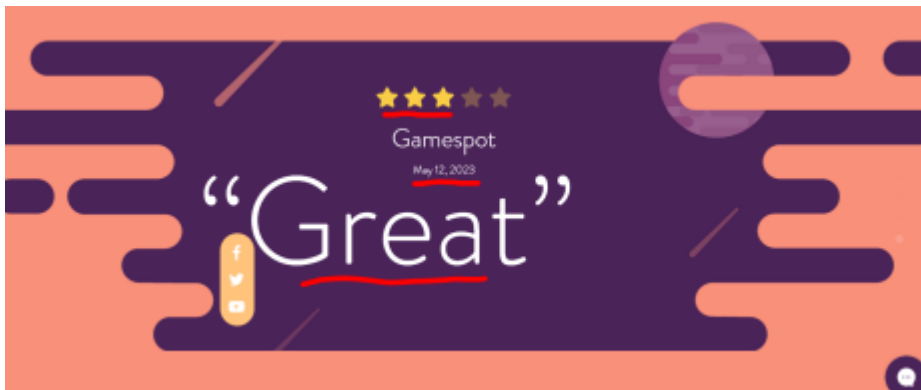

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** This is a negative review of the product. Although it reads "Great", the lack of content transmits the feeling that there is nothing to say about the game, so this is not a positive review. Also, the font is too large, and the text is not centered correctly. The date "May 12, 2023" corresponds to the future and of course this cannot be real, and 3/5 stars is not a "great review".

**Steps to reproduce the bug:** Scroll down to the "Press Review" section. Once you are there, use the navigation dots located after the reviews to move from one review to another. This is the second review.

**Desired result:** The text should be much more descriptive. The date should always be from the past. In order for a review to be positive, it should have more than 3/5 stars.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 022

**Title:** Incorrect review

**Status:** Active

**Severity:** Major

**Priority:** High

**Type:** Wording bug

**Operating System:** Windows 10 Pro Version 19041.746

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** The review does not correspond to Space Aliens; it is about another game. The date is incorrect as well.

**Steps to reproduce the bug:** Scroll down to the "Press Review" section. Once you are there, use the navigation dots located after the reviews to move from one review to another. This is the third review.

**Desired result:** Reviews should be about Space Aliens. The date should always be from the past.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 023

**Title:** Incorrect placement for the "Reviews" navigation dots

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Ergonomics (UX)

**Operating System:** Windows 10 Pro Version 19041.746

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** The navigation dots for the "Reviews" section is positioned in an awkward place for the user to use it properly.

**Steps to reproduce the bug:** Scroll down to the "Press Review" section. Pass over the reviews and you will find it as it is on the following screenshot.

**Desired result:** Navigation dots for this section should be just above the reviews, so it is much more comfortable for the user to put to use.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 024

**Title:** Website navigation dots

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Graphical bug (UI)

**Operating System:** Windows 10 Pro Version 19041.746

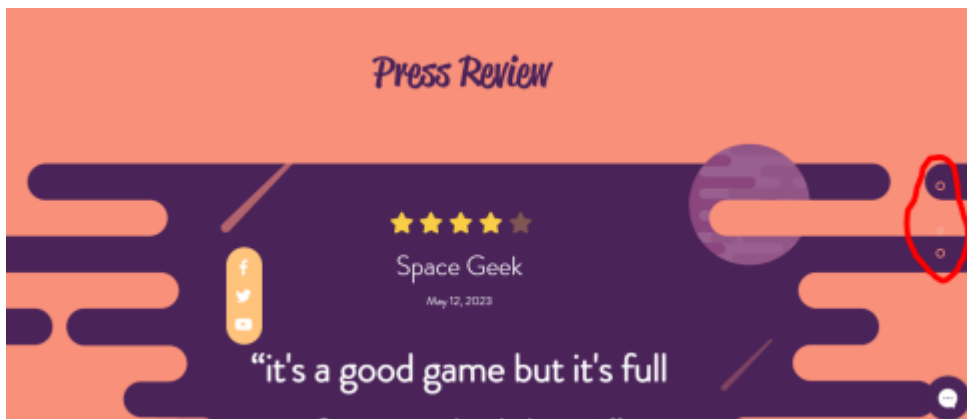

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** The navigation dots for the web page, located on the left margin, are sometimes lost because they end up camouflaging with the background colors, as can be appreciated in the following screenshot.

**Steps to reproduce the bug:** Use the navigation dots located to the left margin to go to different sections of the website and the bug should be visible.

**Desired result:** Navigation dots should always be easy to localize and use, so they can function as a facilitator when navigating through the website.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 025

**Title:** Unrelated video. Wrong placement

**Status:** Active

**Severity:** Major

**Priority:** High

**Type:** Graphical bug (UI)

**Operating System:** Windows 10 Pro Version 19041.746

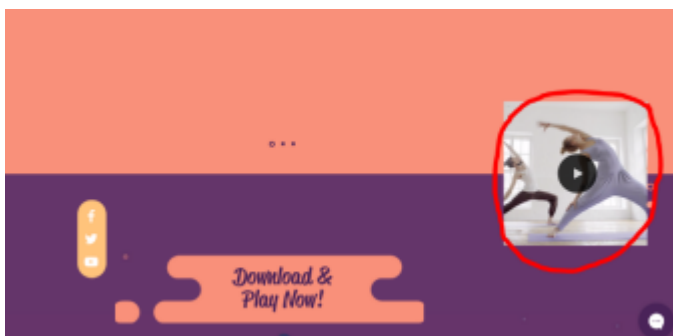

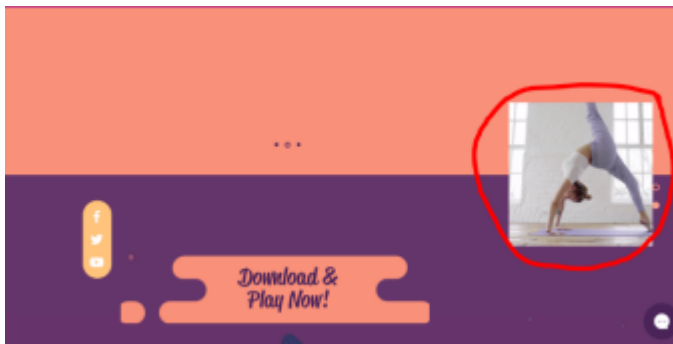

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** On the footer, over the right margin, there is a video that keeps no relation to the product. The only way to interact with the video is to pause it and play it. Also, the placement of the video is wrong, since it is overlaid with the website navigation dots.

**Steps to reproduce the bug:** Scroll down to the footer and you can find the video on the right margin.

**Desired result:** If this is an advertisement video, it should redirect us to the website of the advertised product.

**Screenshots:**

**Date:** 02.14.2021

**BUG ID:** 026

**Title:** Download & Play Now. Hidden link

**Status:** Active

**Severity:** Critical

**Priority:** Critical

**Type:** Functional

**Operating System:** Windows 10 Pro Version 19041.746

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

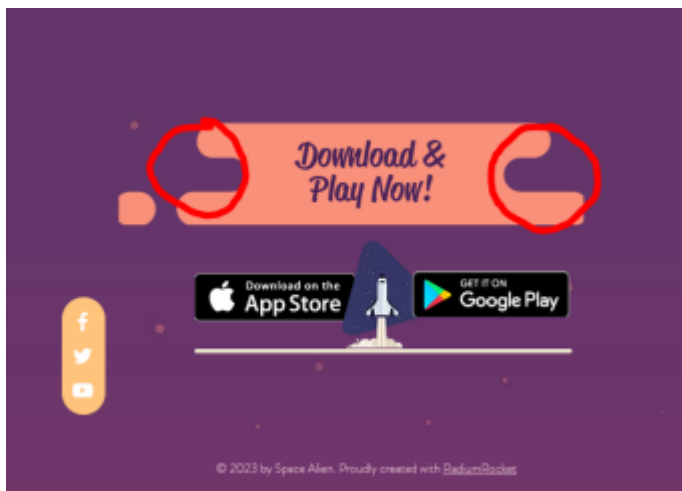

**Description:** There are two hidden links on the sides of the "Download & Play Now" button, as it can be appreciated on the following screenshot. They redirect us to

<http://www.sadhsakjlfsafafgvds.com/>

**Steps to reproduce the bug:** Scroll down to the footer and you can find the "Download & Play Now" button. Place your mouse on the spots that are highlighted in the following screenshot to find the hidden links.

**Desired result:** The link should be on the "Download & Play Now" button and should either start an automatic download or redirect us to a download site or screen.

**Screenshots:**

**Date:** 02.14.2021

**BUG ID:** 027

**Title:** Google Play and Apple Store lead to a wrong website

**Status:** Active

**Severity:** Critical

**Priority:** Critical

**Type:** Functional

**Operating System:** Windows 10 Pro Version 19041.746

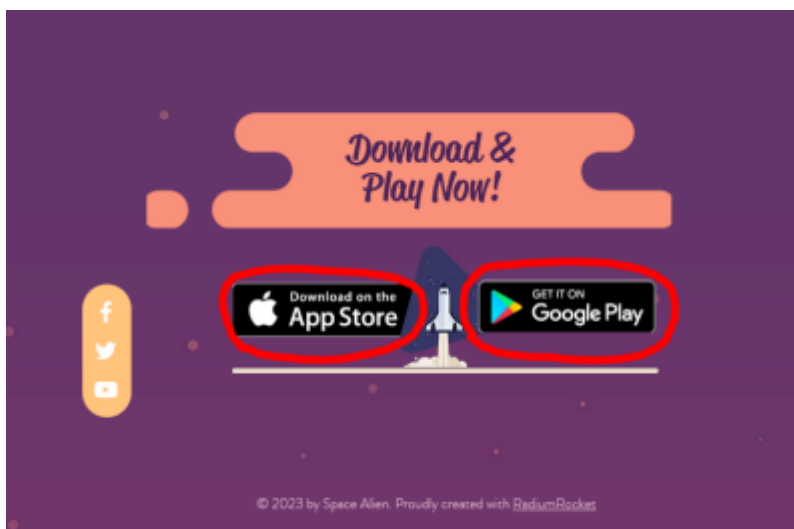

**Browsers:** *Google Chrome* (Version 88.0.4324.150 – Build official 64bits-), *Firefox 85.0.2* (64bits), *Microsoft Edge* (Version 88.0.705.68 – Compilación official 64bits-)

**Description:** Google Play and Apple Store buttons redirect the user to Google Play home page.  
<https://play.google.com/store>

**Desired result:** Each button should redirect the user to the "Space Alien" search for its correspondent store.

**Steps to reproduce the bug:** Scroll down to the footer and you can find both buttons. Click on each and they will redirect you to <https://play.google.com/store>

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 028

**Title:** Wrong date

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Graphic bug (UI)

**Operating System:** Moto G5 (XT1676) Android 8.1.0

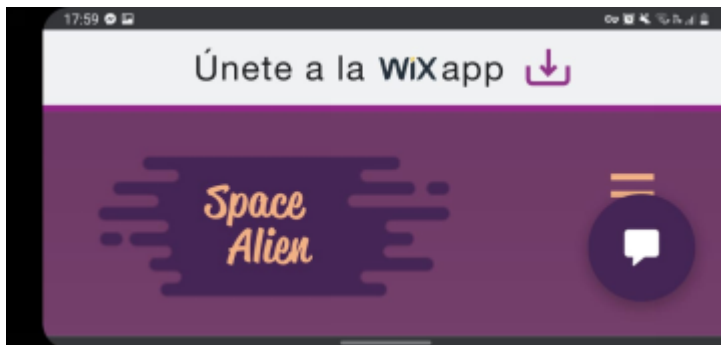

**Browsers:** *Google Chrome* (Version 88.0.4324.152)

**Description:** When in landscape mode, the chat button is bigger than it should and takes a lot of space in the screen

**Steps to reproduce the bug:** Turn your phone to landscape mode and the bug should be visible.

**Desired result:** The chat button should be smaller but, nonetheless, it should have an easy access for the user.

**Screenshot:**

**Date:** 02.14.2021

**BUG ID:** 033

**Title:** "Key features" font size and unused space

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Graphic bug (UI)

**Operating System:** Moto G5 (XT1676) Android 8.1.0

**Browsers:** *Google Chrome* (Version 88.0.4324.152)

**Description:** Font size in the description of Key Features is too small and leads to unused space that feels uncomfortable when navigating through the website.

**Steps to reproduce the bug:** Scroll down to the Key Features section and the bug should be visible.

**Desired result:** Having a bigger font size would result in a better management of the space and a more pleasant experience for the user when navigating the site.

**Date:** 02.14.2021

**BUG ID:** 034

**Title:** "Game Screens" duplicated message

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Graphic bug (UI)

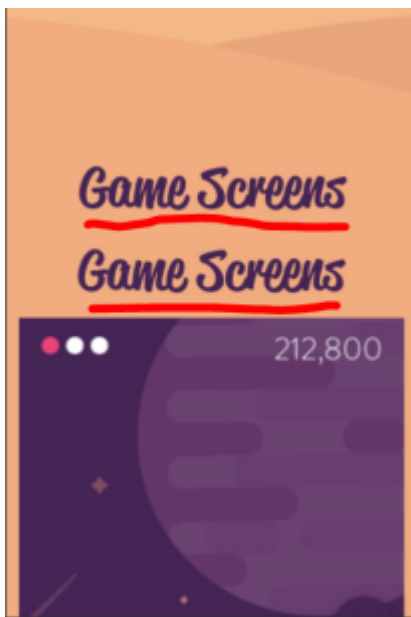

**Operating System:** Moto G5 (XT1676) Android 8.1.0

**Browsers:** *Google Chrome* (Version 88.0.4324.152)

**Description:** "Game Screens" title is duplicated.

**Steps to reproduce the bug:** Scroll down to the Game Screens section and the bug should be visible.

**Desired result:** The title "Game Screens" should not be duplicated.

**Date:** 02.14.2021

**BUG ID:** 035

**Title:** Navigation dots overlapping text

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Graphic bug (UI)

**Operating System:** Moto G5 (XT1676) Android 8.1.0

**Browsers:** *Google Chrome* (Version 88.0.4324.152)

**Description:** The navigation dots overlap with the review text in the third review of the "Press Review" section.

**Steps to reproduce the bug:** Scroll down to the Press Review section, use the navigation dots to go to the third review and find the bug in the highlighted section as the following screenshot shows.

**Desired result:** There should be a dividing space between the navigation dots and the text so they do not overlap, and the user can freely access to both the full text and the navigation dots.

**Date:** 02.14.2021

**BUG ID:** 036

**Title:** Review date overlaps with the review text

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Graphic bug (UI)

**Operating System:** Moto G5 (XT1676) Android 8.1.0

**Browsers:** *Google Chrome* (Version 88.0.4324.152)

**Description:** The date in the first review overlaps with the text on it, making uncomfortable the reading.

**Steps to reproduce the bug:** Scroll down to the Press Review section and find the bug in the highlighted section of the first review as the following screenshot shows.

**Desired result:** There should be more space between the date and the text, to make the reading easier for the user.

**Date:** 02.14.2021

**BUG ID:** 037

**Title:** Advertising overlapping with Apple Store and Play Store buttons

**Status:** Active

**Severity:** Major

**Priority:** High

**Type:** Graphic bug (UI)

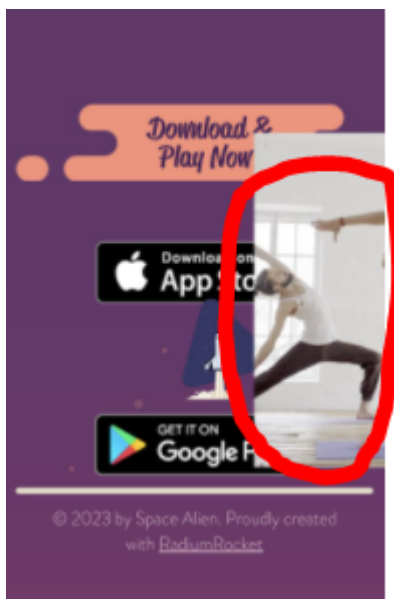

**Operating System:** Moto G5 (XT1676) Android 8.1.0

**Browsers:** *Google Chrome* (Version 88.0.4324.152)

**Description:** The advertising located at the footer of the site overlaps with the Apple Store and the Play Store buttons

**Steps to reproduce the bug:** Scroll down to the footer of the website and the bug should be visible as highlighted in the following screenshot.

**Desired result:** The advertising should not overlap any other button within the site.

**Date:** 02.14.2021

**BUG ID:** 038

**Title:** Extra space at the end of the website

**Status:** Active

**Severity:** Minor

**Priority:** Low

**Type:** Graphic bug (UI)

**Operating System:** Moto G5 (XT1676) Android 8.1.0

**Browsers:** *Google Chrome* (Version 88.0.4324.152)

**Description:** At the end of the website, we can find a large blank space.

**Steps to reproduce the bug:** Scroll down, pass the footer of the website and you can spot the blank space as the following screenshot shows.

**Desired result:** The website should end with the footer, leaving no blank space.
